HSS Steel Drill Bits

Jobber Size Drill Bits

High Speed Steel, General purpose jobber length drill bits with straight shank in black oxide or bright finish, 118 degree point. Particularly flexible to resist breakage. Use on

High Speed Steel, Heavy duty Jobber drill bits with straight shank, 135 degree split point, Heavy web construction for maximum rigidity and heavier cut-

Aircraft Drill Bits

Aircraft Length Drill Bits

Aircraft Length Black Oxide drill bits are ideal for extra reach and deep drilling applications in metal, wood and PVC. The 135° split point tip delivers a precision start and prevents walking for fast, accurate holes.

Cobalt Drill Bits

Cobalt Drill Bits

Cobalt M35 Steel Heavy Duty 135° Split Point Jobber Drills. For tough materials such as stainless steel, titanium, high temperature and high strength alloys. Drills faster than HSS drills. 4 cutting edges. 135° split point. Surface treated. For high strength steels. Industrial quality.
